# Mathematics Class Overview & Expectations

## Ms. Barnard 1<sup>st</sup> Quarter 2010

- **Materials - (These must come to class with you EVERY day!)**
  - #2 Pencils & Correcting Pens
  - Binder with dividers
  - Notebook binder paper & Spiral Notebook
  - Jumbo book cover **ON** math textbook & Homework Book
- **Mathematics -**
  - Pre-Algebraic and Algebraic Concepts
  - The CA standards are rigorous and demand a great deal of time and study.
  - Arrive on time and be prepared to learn.
  - Your success in math will be reflected in your effort and participation.

- **Math Homework -**

Homework is assigned almost every school day!

If you are absent:

- Assignments are posted online
- Binder in classroom

- **Grading in Mathematics -**

- Each student's grade is determined by the accumulation of total points earned. Grades will be posted in the classroom as well as on the website. Progress reports will go out each quarter.

- **Math Grade Scale**

- 50% Homework, Classwork (Cornell Notes & Binder)
    - 50% Quizzes & Tests

- **Math Binder / Textbook -**

- Each student is responsible for maintaining their math notebook, textbook, and homework book. If for some reason any are lost or damaged, each student will be responsible for the cost.
- \$66 (Text Book) & \$20 (Homework Book.)
  - They will have periodic checks of their binders throughout each quarter.

- **Webpage**

- Through the Bella Vista School website, you can access my webpage. There are links to the following:

- **CGP Education Website**

- *Student Username and Password:* To students for home or computer use.

# 7th & 8th History

## Brian Brickey EXT. 1264

- **7th History: World History**
- 11 Chapters, 12 tests
- Open note quizzes
- Signed tests
- The note taking process
- **8th History: American History**
- 17 Chapters, we will try to finish 15
- Constitution Test
- Open note quizzes
- Signed tests
- Geography after STAR testing

**Homework:** students should complete most or all of their work in class. Textbooks/book on CD are available to check out. Students should begin studying as soon as we begin to cover material in class – rather than wait for the night before the test to learn the material.

We may discuss things in class that do not seem to be History-related. This is usually done to tie in historical events to modern times.

Other times it may be done to keep your child awake.

# Fast Track Fridays

- Every Friday of the month students who have completed all of their class work, have satisfactory grades, and satisfactory citizenship will be allowed to participate. Any who do not meet these requirements will be invited to attend Mr. Brickey's positive reinforcement class.

- **Fast Track Classes are:**

Leadership

Journalism

Archeology

Software and Technology

Music Appreciation

Science Exploration

Ultimate Frisbee
